**APPROVAL OF MINUTES - June 22, 2009 Regular Meeting and
Closed Session Minutes**

Motion was made by Jay Newman, second by Frank Conrad to approve the Minutes as written. All four Committee members present voted in the affirmative.

REPORT OF GOVERNING BODY MEMBERS

Frank Conrad, received a complaint regarding the intersection at Stagecoach and Hope Corson Roads. He made a motion to send a resolution to the County requesting a blinking light or four way stop sign. Jay Newman seconded the motion with all four Committee members present voting in the affirmative. Jay Newman will contact the NJ State Police for accident statistics of that intersection. A resolution will be placed on a future agenda.

Mr. Conrad reported on the issues raised on the fairness of the Bylaws of the Township sports associations, specifically the Soccer Program with regards to the destinations of team tournaments. There is a division within the group of those who want to go to European tournaments and those who want to compete on a national level. It was discussed that presently the Football, La Crosse, and Baseball Associations have updated their Bylaws. There was also discussion that the associations must apply for IRS nonprofit charitable status and that requires reports being filed annually. Each sports association collects their own fees from each participant as well as conduct fundraising events, which can total thousands of dollars. The Township Committee is not looking to direct clubs on how to operate but they are looking for fairness and ability of members to vote and/or have choices.

Curtis Corson, Deputy Mayor, reported that he and Paul Dietrich met with Joseph

Kelly and officials from the NJDEP and the Dredge Company and reported that the dredging is being postponed until Thursday or Friday but that they would continue the staging of the piping.

Jay Newman, reported on the success of the 4th of July celebration and that this was a new company this year and all seemed to go well including traffic departure at end of show. He said the only comments he received from the public is if music could be played during the event next year.

He reported that rescue calls have been busy so far this summer.

Richard Palombo, Mayor, requested that notice of the ongoing beach replenishment project be posted on UTTV. He also reported that he received a letter from Randy Roasch of the Strathmere Fishing and Environmental Club offering to donate funds and volunteers for the planting of indigenous plants and dune grass, and installing fencing of the dunes. The Township has already committed to doing this work after the beach fill is complete and he wants to encourage this type of commitment and thanked the Club. There was discussion about when this work could take place. Mayor Palombo requested that Mr. Dietrich reach out to Mr. Roasch to coordinate work efforts.

The Mayor also reported that there will be weekly meetings every Tuesday at 10:30 AM, in Strathmere Fire Hall for progress reports on the beach replenishment project.

OTHER REPORTS

Wanda Gaglione, Municipal Clerk, reported that the new digital recording device was in place and in use for this evening.

Daniel Young, Municipal Attorney, reported that the Citizens of Strathmere and Whale Beach filed an action in lieu of prerogative writ challenging the decision on the Strathmere deannexation denial and asking the Court to approve the deannexation. The matter will need to be discussed in closed session this evening. He reported that he has a total of five items for discussion in closed session as follows—Litigation matter, with regards to the challenge on the decision of the deannexation petition of Strathmere as stated above; second item under Litigation, to report and review the Grubb vs. Upper Township matter; the third matter also under Litigation, to report and review status of beach lot condemnations; the fourth matter is two Personnel hearings; and the fifth matter, under Contract/Potential Litigation, is an issue regarding Animal Control Contract. Mr. Young interjected that the litigation matters involving Grubb, the Beach Condemnation matters and the deannexation matter will be made public when litigation is complete and the appeal period has expired. The Personnel matters will be made public if and when formal action is taken or when individuals involved consent that it can be made public. Contract negotiations will be made public when negotiations have ceased.

Paul Dietrich, Municipal Engineer, reported that the Township was contacted by Cape May County Youth Program to participate in a youth work program. This is funded through the county and state for summer youth employment. He asked if the Committee is interested in pursuing this. There was some discussion that perhaps part time help could be used in the Road Department. Mr. Dietrich will get more information from the county regarding this matter. He reported that he would attend the weekly meetings on the beach fill project. He requested authorization to advertise for bids for the 2009 paving project and the purchase of a street sweeper. An authorizing resolution would be placed on a future agenda.

PUBLIC COMMENT

Roberta Townsend, Chestnut Ave., Palermo, commented that it is difficult to hear speakers during the meeting.

She inquired about her land sale request of Block 622, Lots 18,19,20. She was informed that the sale was authorized to go forward however the Clerk’s office is waiting for a \$500 fee from her to cover the cost of the appraisal. She was advised that the appraisal will not be ordered until the check is received.

She complained about her neighbor to the rear of her property having an unkempt yard.

Edmund Bamford, 1912 Commonwealth Ave., Strathmere; agreed with Mrs. Townsend about not being able to hear speakers during the Committee meetings.

He again requested that the storm sewers on Commonwealth Avenue be cleared of sand and debris, and the curb be exposed. He stated that the sidewalk is completely covered. The County of Cape May has jurisdiction over this street and the Clerk was directed to both call and send a letter to the county requesting that this work be completed.

Ted Kingston, Strathmere, asked if something was missing from the Strathmere complaint. Mr. Young responded "yes" and that he made request to Mr. Florio's office for a complete copy of the complaint.

Priscilla Yank, of Tuckahoe, requested that the Committee allow her to offer carriage rides to the public starting at the Tuckahoe Train Station to points around Tuckahoe such as the Train Museum. Mr. Young was concerned as to what license may be required. Ms. Yank answered that she believes there is none required. Motion was made to allow Ms. Yank to pursue the activity pending Mr. Young's review of state laws. The motion was made by Frank Conrad, second by Curtis Corson with all four Committee members present voting in the affirmative.

Lyn Fayter, Strathmere commented again. She asked if the reeds that are on the beach at this time would remain in place. Mr. Corson stated that it was discussed at his meeting with the NJDEP that the reeds would be spread out over the beach and covered with sand. Ms. Fayter then asked about the Catamaran Beach location for this year, which is located on the beach one block north of Hawthorne Avenue. She reported an abandoned catamaran sitting on a dune, that the Township is trying to have removed. Curtis Corson made a motion to authorize Paul Dietrich to have the boat removed subject to legal review. The motion was seconded by Jay Newman, with all four Committee members voting in the affirmative.

She also commented that someone was riding the Kubota on the beach at a high rate of speed. EMT's are the only persons permitted to ride this vehicle. Jay Potter was asked to speak with his EMT's to slow down. In addition, Mr. Corson will also speak with the Dredge Company to remind their employees to drive slower as they also have Kubotas on site.
