Closed Session Minutes**

Motion was made by Curtis Corson, second by Frank Conrad to approve the Regular Minutes as corrected. During roll call vote, four committee members voted in the affirmative, Mayor Palombo abstained from voting.

REPORT OF GOVERNING BODY MEMBERS

Frank Conrad: He discussed the recently defeated Upper Township School Budget and the need for a meeting to address the issues. He also discussed the statutory requirement that the matter must be resolved by the 19th of May. A tentative date to meet with the School Board was set for the May 10th meeting. Committeeman Newman did not participate in this discussion due to conflict.

Kristine Gabor: reported on several problems with ATV's at Caldwell Park. She requested that residents file a report with the State Police, take pictures with their cell phones if they can, and document if they see vandalism or any other issues taking place. She also reported that signs are being printed with the new rules for the Skate Park at Amanda's Field and should be posted shortly at the park as well as published in the newspaper. She then made a motion to hire Charles Thonsen as a Seasonal Employee to the Upper Township Recreation Department. Curtis Corson seconded the motion with all five Committee members voting in the affirmative.

Jay Newman, Committeeman: reported that a Global Connect call went out to Township residents urging them to take advantage of the FEMA assistance that is available to residents who have suffered damages from the recent storms.

He also discussed an issue with regard to work that was done by a contractor on Stagecoach and Tuckahoe Roads without notification to residents, fire and rescue, and the schools. He discussed his concerns with the County Engineer.

Richard Palombo, Mayor: Reported that FEMA funds are available for those Cape May County residents who have experienced damages from the recent storms. He requested that the FEMA information be published in the Gazette and placed on UTTV channel 2.

He also discussed the resignation of a Zoning Board member and the urgent need to immediately fill the vacancy.

Mayor Palombo also reported on a meeting with the Cape May County Conference of Mayors that he and Paul Dietrich attended on Friday. Dr. Stewart Farrell gave a presentation on Beach erosion that took place on most of the barrier Islands throughout the County. He discussed the beach erosion in Strathmere and reported that Mr. Dietrich and Dr. Farrell are working diligently with FEMA to secure funds for beach replenishment.

OTHER REPORTS

Wanda Gaglione, Municipal Clerk: reported that the wrong draft of the Corbin City Court Shared Services resolution was included in the first draft of the Minutes. It has since been replaced with the correct version which the Committee now has. Mr. Young reported that the amended Final Agreement adopted by Township Committee has been sent to Corbin City for signatures.

The Clerk also reported on a phone call from Sea Isle City asking if we have any objections to the Police Unity Bicycle Tour scheduled for Saturday Memorial Day Weekend that would close a portion of Commonwealth Avenue in Strathmere from 7:30 A.M. to 9:30 A.M. Motion was made by Jay Newman seconded by Frank Conrad stating that the Township does not object to the closure as long as the event organizers obtain appropriate approvals from County Authorities and make the proper notifications to emergency services. During roll call vote all five Committee members voted in the affirmative.

Daniel J. Young, Municipal Solicitor: had no further comments except to report on Closed Session matters he wishes to discuss—they being matters of personnel, and litigation---Marmora Storage and Buckland Tax Appeals.

Paul Dietrich, Township Engineer: discussed the Richnan Group performance bond and the first phase of the Seaville Plantation Development. Curtis Corson did not participate in this matter due to conflict. Mr. Dietrich reported on several issues regarding repairs that have not been completed on the drainage basin, sidewalks and paving. Dan Young commented that the first step is to put the developer on notice that they are in default of completing the improvements and they would have 30 days to correct the problems. Then if they do not cure the defaults, the Township would declare them in default. Motion by Jay Newman, second by Frank Conrad to direct the notice that the developer is in default of completing the improvements and giving 30 days to cure the problem. During roll call vote four Committee members voted in the affirmative, Mr. Corson abstained. Mr. Dietrich also reported that this is last week for brush and leaf collection.

Barbara Spiegel, CFO: reported she has one personnel item for closed session.
