APPROVAL OF MINUTES - June 14, 2010 Regular Meeting and Closed Session Minutes

Motion was made by Jay Newman, seconded by Frank Conrad to approve the Regular Meeting Minutes as amended and Closed Session Minutes as submitted. During roll call vote, all five Committee members voted in the affirmative

REPORT OF GOVERNING BODY MEMBERS

Frank Conrad: discussed the recent closure and disrepair of the Route 50 bridge. Motion was made by Frank Conrad, seconded by Jay Newman to authorize a resolution urging the NJDOT to immediately commence with the planned Rt. 50 bridge replacement project. During roll call vote, all five Committee members voted in the affirmative. A resolution will be placed on a future agenda.

Kristine Gabor: discussed an incoming resident bringing a dog into the Township that has been deemed by court order a “Potentially Dangerous Dog”. Ms. Gabor commented that the Township would ensure the owner complies fully with all requirements of the court order before allowing the dog to be housed in the Township. She also reported on a meeting she recently attended at the Cape May County Animal Shelter and reported on the plans to establish a county wide low cost Spay and Neuter Program. Ms. Gabor provided a copy of a draft of the program for distribution to the Township Committee and requested that they review it and provide feedback to present back to the Animal Shelter Committee. She also discussed a countywide problem with the CMC Animal Shelter

forms not being completed correctly by Animal Control officers. Ms. Gabor directed the Clerk to pull the forms completed by our ACO so she could review them for correctness. She then made a motion to hire Sean Lonesky and Richard Minarik as part time seasonal employees to the Recreation Department. The motion was seconded by Curtis Corson with all five Committee members voting in the affirmative.

Curtis Corson, Deputy Mayor: discussed a contaminated well problem at 4 McDonald Drive, Seaville. The resident reports that even though the NJDEP has installed a *Point of Entry Treatment* (Poet) water filtration system the water coming from the tap remains unpalatable and unusable for personal use as well as regular household use due to an oily film. The Mayor and Committee discussed adopting a resolution at the next meeting, and directed that a very strong letter be drafted to NJDEP urging them to correct the problem immediately. The Mayor directed the Clerk to continue to supply drinking water to the resident.

Jay Newman: Reminded everyone of the increased traffic this summer and especially on the 4th of July. He asked everyone to be very careful when driving. He reported that the Township Fire Companies and Rescue Personnel would be at Amanda's Field Recreation Complex to monitor the event.

Rich Palombo, Mayor: discussed a request from the Township Beach Patrol Captain, Bill Handley to name the new lifeguard boat. Mayor Palombo explained that in the past the Township has named the boats after individuals that have had a significant impact on the Township. He suggested that since the Township may not be buying that many more boats in the new future and rather than limiting it to one name per boat, that the new lifeboat be labeled "Legends of Upper Township" and beneath that several names could be added, and recognized. He made a motion to name the new lifeboat "Legends of Upper Township" with the first name added on the boat to be that of Mrs. Elizabeth Bergus. Curtis Corson seconded the motion with all five Committee members voting in the affirmative. Mayor Palombo reported that lifeguards would be guarding the beaches from 11:00 AM to 6:00 PM daily starting July 4th and a skeleton crew along with an EMT manning the Lifeguard Station from July 4th through Labor Day for after hours emergencies until 8:00 PM. Mayor Palombo then made a motion to appoint Joseph Healy to the Upper Township Zoning Board to fill the vacancy of the resignation of Kenneth Yacopic. Motion was seconded by Frank Conrad with five Committee members voting in the affirmative. Mayor Palombo also discussed an email he received from Randy Roash regarding painting the pedestrians cross walks on Commonwealth. It was discussed that this could result in problems due to there being no sidewalks. Mr. Dietrich will discuss this with the County Engineer.

OTHER REPORTS

Wanda Gaglione, Municipal Clerk: reported on the July 4th events. The parade in Strathmere scheduled to begin at 11:00 AM; Family Fun Day at Amanda's Field which begins at 6:00 PM and ends at 9:00 PM just prior to the Fire Works display which will begin at dark.

Daniel Young, Municipal Attorney: reported he had several items for closed session as follows: Litigation regarding Strathmere Beach Lot Condemnations; Litigation Tax Appeals; Personnel matters; Contract Negotiations-Jankowski and Contract negotiations-Banking Services Agreement.

Paul Dietrich, Township Engineer: reported on a request submitted to Township Committee by Zoning Officer Shelly Lea asking that the Township take action to clean up two properties within the Township that are in violation of Zoning Laws and creating safety concerns. The properties are as follows:

22 Rivendell Road, the Frances J. Batka Estate has overgrown shrubbery, general disrepair of the house, and includes a concrete pool at the rear of the house that was installed without permits and is creating safety concerns.

1571 Route 50 Bessie Beebe Estate a vacant property in foreclosure. The Zoning officer reported that this property is also overgrown and the building is in disrepair. She recommended demolition of the structure if not deemed structurally sound. The Committee recommended further investigation into the zoning officers request.

Mr. Corson abstained from discussion of this matter to avoid any conflict. Mr. Dietrich reported on the matter of a possible encroachment onto Twp. property by Echo Farms Campground that was discussed at the last meeting. As directed, he received quotes from three surveyors, he reported that the lowest quote received was from Martinelli Surveying for \$2,750 to survey the entire lot, or \$1,000 for a survey of a portion of the lot. Motion by Frank Conrad, second by Jay Newman to authorize \$1,000 for Martinelli Surveying to survey the portion of the lot to identify any encroachments. During roll call vote four Committee members voted in the affirmative, and Mr. Corson abstained. Mr. Dietrich discussed National Incident Management System (NIMS) training for the Township Committee and employees. He also discussed automated trash collection. Mr. Dietrich asked the Committee if they would be ready to move forward with a bond ordinance to be able to be ready to implement the program in 2011. The Committee directed him to give a presentation on how the program will work and a breakdown on the yearly costs and savings. Mrs. Gabor gave a brief report on a recent Recreation Committee meeting with the Cheerleader Association that she attended.

PRESENTATION

- 1. Presentation by ESGR (Employer Support of the Guard and Reserve) Organization--- Recognition and appreciation of the Upper Township Committee, the Upper Township Chiefs Association and the Upper Township EMS, for their employer support to National Guard and Reserve Personnel.** Ret. Brigadier General Jeffrey Pierson was present as the ESGR Chairperson in this region to present to the Township Committee certificates of appreciation for the support and cooperation given to those employees that are also New Jersey's men and woman of the National Guard and Reserve Forces. The certificate will be framed and displayed at the Township Hall.

PUBLIC HEARING

Curtis Corson abstained and did not participate in the discussion.

2. Renewal of the 2010 Alcoholic Beverage License for Deauville Inn.

A brief update was given on what has transpired since the last Committee meeting of June 14th. The Township received a few complaints regarding the renewal of the Deauville Inn liquor license due to noise issues; the license was set for a hearing for tonight. In the interim, the Committee discussed the feasibility of a Township wide noise ordinance and directed Mr. Young to look into that and report to them. When the individuals that had filed the complaints became aware of that they withdrew their

complaints on the renewal of the liquor license in anticipation that the Township Committee would address in some form general noise issues in the Township. Mr. Young explained to those individuals in a letter back to them the process to adopt a Noise Ordinance with a public hearing. Mr. Young stated that since the matter was on the agenda as a hearing that the matter should be opened up to the public. The Mayor then opened the meeting for public comment.

During the public portion of the hearing there were no speakers from the public. Motion was made by Jay Newman, seconded by Kristine Gabor to renew the Deauville Inn liquor license. During roll call vote four Committee members voted in the affirmative. Curtis Corson abstained from voting or any participation on this matter.

PUBLIC COMMENT

Lauren Harris, of 8 Evergreen Drive, Seaville, member of the Upper Township Cheerleading Association: asked the Committee to assist them in obtaining records from a former officer of the association. Mr. Young explained that they are a private organization and not an authorized arm of the Township. The Cheerleading, Baseball, etc, Associations are authorized to operate their recreation program, use Township facilities and may receive funds from the Township for the program. The Township Committee however does not have the authority to get involved with their matters.

Diana Blair, of 51 Evergreen Drive, Seaville, spoke as a parent and former board member of Upper Township Cheerleading Association and read a letter into the record.

The Committee discussed the issues brought forth in Ms. Blairs letter and concluded that they should be handled at the Recreation Committee level.

Alice Teal, 224 North Shore Road, Marmora, expressed her concern that there are no sidewalks in downtown Marmora.

Cynthia Williams, of 4 Frances Avenue, Petersburg, is concerned with the current Cheerleading Association and that one of the members called her employer and made untrue accusations about her. She further stated that she is seeking legal counsel because of the incident. Committee discussed that both sides should get together to mediate the issues.
