PLAYER and PARENT CODE OF CONDUCT

Player

I will respect my teammates and coaches and I will act appropriately during practice and games.

I will not use alcohol, tobacco products or illegal substances at any team function or youth sporting event.

I will do my best to be a true team player. I will encourage good team play.

I will not swear or use abusive language on the bench, in the rink, or at any team function. I will control my temper because I understand that fighting or "mouthing off" can spoil the activity for everybody.

I will not lash out at any official no matter what the call is. I understand the coaching staff will handle all matters pertaining to officiating.

I will respect my opponents and their fans. I agree that there is no place for fighting, violent or overly aggressive play in hockey, where the obvious intent is to injure or harm another player.

I understand that UTHA has a zero tolerance policy when it comes to improper behavior. (Copies of Bylaws available upon request)

Parent

I will support and encourage my child in a positive way at all times.

I will avoid verbal confrontations in the stands with parents of opposing teams; I understand that this can be very disruptive and embarrassing to my child.

I understand that a 24 hour cooling off period must be honored before airing any issues I may have with the coaching staff or team. I will then contact the coaches to try and resolve the problem in a calm and mature manner.

I will not yell instructions from the stands.

I will respect the referee staff and the decisions they make during and after each game.

I understand that no one is allowed on the rink other than the referee staff, coaching and players.

I understand that UTHA has a zero tolerance policy when it comes to improper behavior. (Copies of Bylaws available upon request)
